

## **Adrenaline**

Lyrics by Jonathan Patton

Adrenaline....

I'm so afraid I will die today  
The hate inside of me will have its way  
Slowly I've become this cruelty  
I cannot hide what I've set free

Voices of demons like ringing bells  
"Kill everyone or kill yourself"  
All I am has led me to this beast

Adrenaline...

Is this the end?  
Is this the end of all we ever loved?  
Is this the end?  
Is this the end of all we ever loved?

Too late to drink my love  
Taste the blood will it ever be enough  
Can we build ourselves another steeple?  
Will it satisfy our thirst for evil?  
Let us feast on our cakes and wine  
Until the hourglass runs out of time  
Silently we'll murder everyone...

Adrenaline...

Is this the end?  
Is this the end of all we ever loved?  
Is this the end?  
Is this the end of all we ever loved?

I AM A LIE...

I AM A LIE...
